FIRST OF SEASON'S

CONCERTS AT THE PARK.

Warm Weather and Sunny Skies Drew Large Crowd on Sunday—Baby Deer Proved One of Chief Attractions.

After several weeks of waiting for fair weather, Tubbs' band gave its first concert of the season at Mohegan park on Sunday afternoon. The warm, bright, sunny afternoon drew a large crowd to the park, and the well-rendered programme was very much enjoyed.

The baby deer proved one of the chief attractions, for they appeared in the deer enclosure for the first time on Sunday. Two are a month old and the other is three weeks old.

Bobby Burns, the big ram, has become quite cross lately and has given

the park officials a good deal of trouble. Fred Powers, who assists in the care of Bobby, has to tie him up now when he feeds him.

HOBART AVENUE GROUND TO BE REOPENED.

Will Be in Charge of Miss Mary Lee and Miss Mary McGarry.

The playground on Hobart avenue is to be reopened this year and will be in charge of Miss Mary Lee and Miss Mary McGarry. The ground is located at the Hobart avenue school property. All the grounds will be in charge of two young ladies, one of whom will remain on duty during the noon hour, so that the grounds will be open continuously from 9 in the morning until 5.30 in the afternoon. The Lake street ground will be open from 9 in the

TWO WEEK-END MOTOR ACCIDENTS

Automobile Was Smashed Up at Norwich Town When Driver Was Blinded by Another Car and Hit a Telegraph Pole—Occupants Had Lucky Escape—New London Motorcyclist Had Leg Fractured in Auto Collision.

The week end rush of motor traffic in the vicinity of this city, was attended by two accidents, from the first of which two Norwich men had an unusually remarkable escape when their car ran into a telegraph pole; while in the second a New London motorcyclist had his leg fractured and was taken to the Backus hospital in the ambulance.

At Norwich Town Saturday night about ten thirty Harry Messier of Division street was driving C. E. Wright's delivery automobile in from a trip to Bean Hill and had reached a point opposite C. A. Capron's at the foot of the hill beyond Hartland's corner. A big automobile coming from the city shot down the hill and the headlights of this car blazed into Messier, so that in trying for a clear passage, he ran his machine into a telephone pole at the side of the road there. The electric light at that place in the highway was out. Mr. Messier was thrown out but escaped with a shaking up while Frank Brennan of Reynolds

avenue who was with him had his wrist cut when he was tossed out by the impact against the pole of the Ford car, which was badly smashed up, but perhaps not so much that it can't be made to run again. The big car kept on going.

At the entrance to the State Tuberculosis Sanatorium at four o'clock Sunday afternoon, Frank Vickery of New London, who is well-known as a basketball player, was thrown from his motorcycle when he ran into an automobile. His leg was fractured and the bone was comminuted. The Backus Hospital ambulance was sent for, and Vickery was taken to the institution and Dr. F. J. Cassidy and the house surgeon set the leg. Frank Sistrare, who was on the motorcycle behind Vickery was uninjured.

The driver of the automobile that Vickery ran into had made a signal that he was going to turn in at the road leading up to the sanatorium. Vickery was right behind, and following him closely, was a second car, which cut in and crowded the first automobile just at the branching of the sanatorium road. The first car in consequence did not start to make the turn until late, and Vickery went over the side of the road. The front of him had given a false signal.

CELEBRATED THEIR 13TH WEDDING ANNIVERSARY

Prof. and Mrs. Charles D. Geer received Congratulations of Many Friends.

A company, forty strong, consisting of the B. Natural club with husbands and wives, visited the home of Professor and Mrs. Charles D. Geer at Poquetanuck, Friday evening. The evening was of special significance as it was the 13th anniversary of Prof. and Mrs. Geer's marriage.

Vocal piano and violin solos with choruses singing by all, making a delightful program. The most pleasing number of the program was the presentation of a handsome silver by the club to Mrs. Geer. Mrs. Charles Geer did not say so much in presenting the gift but what was said was evidently to the point. Mrs. Geer accepting the gift in the same spirit.

At prettily arranged tables on the lawn, all kinds of good things were served. After supper all returned to the house where, with old time enthusiasm the Virginia reel was danced. Congratulations with wishes for many happy anniversaries for Prof. and Mrs. Geer closed an evening which will long be remembered.

F. LEROY STEARNS

Former Norwich Boy is Sergeant in Seventh New York Regiment Now at Brownsville.

While there is bound to be constant interest in the operations of the troops which have been sent to the Mexican border, added interest will be taken in the Seventh New York regiment henceforth inasmuch as F. Leroy Stearns, son of Mr. and Mrs. W. L. Stearns of this city is a sergeant in Co. A of that regiment, which is now encamped at Brownsville.

FORMATION OF PREPAREDNESS PARADE

(Continued from Page Five)

12 noon and 6 p. m., to continue fifteen minutes each time.

BOY SCOUTS TO TAKE IMPORTANT PART

First Aid Squads Will be on Duty in Center of City.

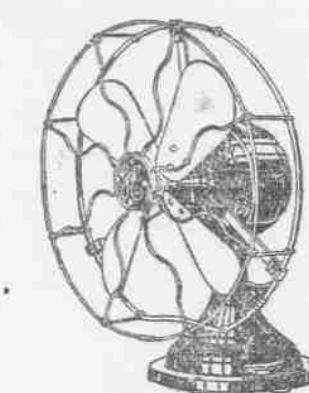

A mobilization of 200 Boy Scouts will be necessary in order to carry out the program of scout activities during the Preparedness parade. Several of the local scouts are out of town so that only two-thirds of this number are available. A sergeant has been asked from scouts in Baltic, Moosup and New London from which places it is hoped to get 50 to 75 scouts.

First Aid Scouts on Duty. Four first aid squads will be on duty at Franklin square, Broadway corner, upper Broadway and Washington street. The last two squads will be mounted on bicycles. Each squad will be equipped with a stretcher and kit, containing treatments for sunstroke, heat exhaustion and burns. The squads will be designated by a Red Cross armband on the sleeve of one of the scouts.

As Aides to Divisions. Two scouts will be assigned as aides to each of the sixteen divisions of the parade, ready to give assistance to the commanders in communicating with Grand Marshal Gale. The biggest job assigned to the boys is that of assisting the police in regulating traffic along the line of march. The traffic committee has asked

PREPAREDNESS

What Preparedness Will Mean for You This Summer.

An ELECTRIC FAN will prepare you for hot, sultry or muggy weather and furnish refreshing air currents at home. Or it will keep the flies and mosquitoes moving on the porch, in the office or store.

An ICE CREAM FREEZER will enable you to prepare refreshing, healthful desserts during the next ten weeks of warm weather.

SCREEN the openings and keep out the invading hordes of flies, millers and mosquitoes.

WATER COOLERS will be a blessing on a hot day.

THERMOS will serve you right—cold, refreshing drinks on the porch, in the home or office and on the auto trips.

POCKET FLASH LIGHTS are necessary for summer cottage, boat and auto.

TRAFFIC

Special Rules Covering Vehicle Traffic July Fourth Afternoon

During the afternoon, parade vehicles will be allowed to park on the WEST side of Washington Street from Washington Square to Williams Street, with right wheel to curb. Also upon EAST side of Broadway from top of Broadway hill to north end of Chelsea Parade, with right wheel to curb.

All streets intersecting or crossing Broadway from Main Street to north end of Chelsea Parade; Washington Street from Washington Square to north end of Chelsea Parade; Main Street from Burnham Square (Marguerite corner) to Washington Square must be kept open to traffic. Only one line of vehicles will be allowed to stand on either side of these streets. However, on those streets the left wheel may be next to curb.

Broadway, Washington Street and Main Street, between points above mentioned, will be closed to all vehicles except fire department, mail wagons, police, department and ambulances, from one-half hour before parade is scheduled to start until after parade passes. At all points a space of ten feet on each side of every fire hydrant must be kept open.

W. R. BAIRD, Chairman, Special Traffic Committee.

ed for 147 scouts and they will be stationed in groups of from two to ten, along Main street from the Marquette building to Washington square and up Washington street and Broadway as far as the junction of the two streets.

Scout Commissioner Bruce will be at Room 310, Thayer building (Tel. 488-3) at 12 o'clock on Tuesday, at which place all the scouts are expected to report, to be assigned to their various places.

MANY LOCAL WOMEN WILL TAKE PART

Partial List of Those Who Will Appear in the Ranks.

A great deal of interest is being manifested in the women's section which is to form a part of the Preparedness parade on Tuesday. It will be something of a novelty to Norwich people to see a large body of people participating in a public demonstration of this character and get as a member of the committee of women said, "No good reasons can be advanced why women should not be as much interested as men in a movement of such grave concern to the welfare of the country." Indications are that the women will respond in large numbers to the invitations that has been extended to all the women of Norwich and vicinity to swell the ranks of the women's contingent in the parade. The women marchers are requested to meet at Union Square at 2 p. m., on Tuesday, attend in white, from which place they will be assigned a position in the line without the tedious delay that is unavoidable in forming a large parade.

It was announced on Sunday night that many of the local women would parade. A partial list of those who

will be seen in the ranks follows: Mrs. Edson F. Gallaudet, Mrs. Eben Learned, Mrs. Willis Austin, Mrs. William Birge, Mrs. Richard B. Graham, Mrs. L. E. Stearns, Mrs. Orlan Dodge, Mrs. F. L. Farrell, Mrs. Frank Royce, Miss Gresson, Mrs. A. H. Chase, Mrs. Frank A. Mitchell, Mrs. Lucius Briggs, Mrs. William A. Norton, Miss H. E. Trumbull, Mrs. Edward J. Graham, Mrs. Henry J. Threl, Mrs. Allen Latham, Miss Olive Huntington, Mrs. Lawrence Gilman, Miss Lyman, Miss Fitzgerald, Miss Jewett, Miss Lester, Mrs. Archibald Gilchrist and Miss Mary Richards.

The women are parading under the banner, Patriotic Women. Among the organizations which will be represented are the D. A. B., the Norwich Equal Franchise League, the Association Opposed to Woman Suffrage, the Norwich Art Students Association, the College Club, Girls' Club and the Norwich Girls' Club.

JULY 4TH 1776 - JULY 4TH 1916

140 years of rapid development and growth, from thirteen struggling, sea-coast colonies to fifty-one states and territories constituting one of the mighty powers of the world.

A nation to be proud of surely, with institutions worthy of truest devotion and protection to the very limit of human ability.
